BRF's Sustainability Plan

BRF's Sustainability Plan is in line with our **Essence** and aligned with our **Sustainability Policy**. Through the Plan, we reinforce our commitment to incorporating ESG (Environmental, Social and Governance) aspects into the Company's future vision.

Our Ambitions reflect awareness of our responsibility. We know that it is always possible to do more to provide a better life for people and the planet, aligned with our **Purpose**.

To increase our transparency and reinforce our Ambitions, we have established global and transversal commitments to ESG aspects, related to BRF's Vision for 2030, in harmony with the world's largest corporate sustainability initiative (UN Global Compact), of the size BRF wants to be.

These commitments are:

Animal Welfare

- Certify 100% of the plants in Animal Welfare by 2025.¹
- Only use cage-free chicken eggs in the industrial food process globally by 2025.
- Ensure that no antibiotics growth promoter are used in the livestock chain.
- Ensure that 100% of the poultry in the integration system are cage-free globally by 2023.
- BRF is strictly committed to zero tolerance to animal mistreatment, whether through abuse or neglect.
- Use environmental enrichment in 100% of the integration of poultry by 2025.
